

## SAFETY, HEALTH, ENVIRONMENT AND QUALITY POLICY

Strauss Logistics Zimbabwe a leading transporter of petroleum products in Zimbabwe and across the region values Safety, Health, Environment and Quality management as an integral part of its business.

To ensure the continuity of high standards of service the company aims to prevent accidents, eliminate hazards arising out of its business operations, meet customer expectations and achieve excellence in environmental protection.

### **The Company is committed to,**

- ❖ Identify and comply with all applicable legal and other requirements
- ❖ Identify and mitigate all hazards and aspects, assess and manage SHEQ risks/impacts of its operations.
- ❖ Prevent pollution through minimisation of emissions to air, land or water.
- ❖ To use natural resources in an efficient manner including re-use and recycling wherever possible
- ❖ Adequately inform, instructs, train and supervise its workers to carry out work safely without risk to health and safety or the environment
- ❖ Safe transportation of goods and ensure efficient utilisation of natural resources.
- ❖ Ensure timely delivery of services within the customer's specifications.
- ❖ Implementing an effective emergency preparedness and response
- ❖ Communicate with all interested parties so that they understand how their actions influence its organisational SHEQ performance.
- ❖ Reviewing this policy periodically to ensure continued improvement.

Strauss Logistics respect peoples' culture and heritage in any location that it operates in; and no operating condition or urgency of service can ever justify endangering the life of anyone. The organisation also commits to continuously improve its SHEQ performance through implementation of effective management systems & best practices, safety committees, employee trainings, contractor assessments and the involvement of all staff in SHEQ matters.
